The Court orders that the motion to dismiss this appeal is GRANTED because this Court lacks jurisdiction over this appeal as of right. The October 3, 2019 judgment appealed from is not a final judgment appealable of right. MCR 7.202(6)(a); MCR 7.203(A). That judgment is not a final judgment under MCR 7.202(6)(a)(i) because it does not dispose of all claims in this case as it leaves appellee's countercomplaint undisposed. The initial erroneous designation of the October 3, 2019 judgment as having disposed of the last pending claim is not controlling. See *Faircloth v Family Independence Agency*, 232 Mich App 391, 400-401; 591 NW2d 314 (1998) (certification by a trial court does not resolve whether an order is actually final).

The alternative motion to strike appellant's brief is DENIED as moot.
